

SPECIALIST RESIN

FLOORING SWATCHES

High-performance flooring for commercial & industrial environments.

Here is our range of standard solid finish colours. If you require a different colour for your upcoming project, speak to our team about how we can help with any AS2700 pigment or refer to the AS2700 chart.

Whilst every care has been taken to ensure that the information included in this document was accurate at the time of printing, Flowcrete, part of Tremco CPG Australia Pty Ltd, reserves the right to change product specifications and colours at any time without prior notice.

The photographs and colours reproduced in this publication are within the constraints of the printing process and are not to be used for matching purposes.

All photographs are used for approximate representation only and may not show the actual products and textures on offer.

This is to be used as a guide only and does not form part of any contract of sale.

The applied colours may differ from the examples shown. For a full colour samples, contact your local Flowcrete representative.
